Payment of the air inclusive waiver guarantees your return transportation, with no additional supplement, utilizing your original airline tickets. In the event you have purchased non-refundable airline tickets, the air waiver does not apply.

The waiver insurance fees do not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of the person who cancels. Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement. The waiver covers cancellation of your trip and does not cover cancellation of the airline portion only.

The waiver insurance fees cover lost, damaged or delayed baggage as well as medical expenses, emergency medical attention and worldwide travelers' assistance. See your booking agent for details.
